The Following Notes Apply:

1. No erosion control costs are included.
2. No materials field testing costs are included.
3. No costs are included for the removal and replacement of any unsuitable or unstable soil materials if possibly encountered within the existing sub-grade area.
4. Johnson Paving, LLC assumes no responsibility for any possible settlement that may occur due to unsuitable or unstable subgrade or base material
5. No costs are included for any pavement edge or curb backfill and/or landscaping.
6. Final billing quantities will be calculated by the completed project measurements.
7. Asphaltic Concrete unit prices are as per current material quotation unit prices and are subject to possible change. Any possible increases would be due primarily to the continued volatility and the rising costs of asphalt bitumen and fuel used in the manufacture of all asphalt products.
