*Council member Nathan Fitts abstained from voting on the Hastings rezoning request during the January 12, 2021 meeting due to the fact that his parents home, which is adjacent to this property was held in a “Family Trust”, and he was one of the trustees.

*On the day of the March 9th meeting Council Member Fitts instructed the city clerk to remove and change his statement to read, that he was abstaining from voting on this zoning issue to avoid any potential conflict of interest since his parents own and live on the adjacent property.

*I believe if you check the Court House records you will find that Mr. Fitts statement is incorrect and the home is not in a family trust.

*According to the Charter and State Law Mr. Fitts nor any Council Member can change the minutes of a meeting without council approval
