Subject: Change Order

After meeting with John Soave this morning the existing steps / sidewalk (marked with red x's) alongside of Hampton Square & Mountain Street can be removed. That sidewalk & Steps really needs to go. The sidewalk & Paving of Mountain Street that was approved called for the new sidewalk on Mountain Street to stop at the old steps / sidewalk and add new sidewalk (outlined in blue) all way up to West First street. If I have Council approval I will get a quote from Johnson while they are there for the removal and additional section of sidewalk.
