

**Task Release**

---

THIS 12 day of February ~~2018~~ 2019, the undersigned Owner offers and the undersigned Engineer agrees to provide and perform services as identified herein (the “Work”) on a project identified herein (the “Project”) under the terms and conditions set forth herein and in a certain extension of **Master Agreement** for engineering services, No. 001, dated December 17, 2015, between the Owner and the Engineer (the “Master Agreement”) which is incorporated herein by reference and made a part hereof as if fully restated herein.

**1. The Project:**

1.1 This Task Release is for a Project described as:  
*GEMA Application for Generator Installation at 11 Sites*

A. More specifically, the project includes preparing a funding application to GEMA for the installation of 11 generators at various water booster pump station and sewage lift station sites throughout the City. The potential funding for this work would be 75% grant from GEMA/FEMA and 25% match from the City. If the City is awarded funding for this work Carter & Sloope, Inc. will prepare a separate Task Release for the design, bidding, contract administration, and construction review.

**2. The Work:**

2.1 Engineer shall provide the following Work on the Project as defined herein and as follows:

- A. Review of any existing documentation from the City.
- B. Review of current site conditions, equipment, electrical service, etc. at each of the various sites to determine sizing of generators and electrical improvements required.
- C. Prepare and submit funding application to GEMA by the March 1, 2019 deadline.
- D. No design of the actual improvements will be provided as part of this proposal.

**3. The Engineer’s Representations:**

3.1 The Engineer represents and warrants that it is fully and professionally qualified to act as the engineer for the Owner on the Project and is licensed to practice

engineering by all entities or bodies having jurisdiction over the Project and the Work. The Engineer represents and warrants that it shall maintain any and all licenses, permits or other authorizations necessary to act as the engineer for the Work.

- 3.2 The Engineer represents and warrants that it has become familiar with the Project site and the local conditions under which the Work, and any work of the Owner or the Owner’s other contractors based upon the Work, is to be performed.
- 3.3 The Engineer represents and warrants that it has obtained, reviewed, and carefully examined the Owner-Supplied Information for the Project.
- 3.4 The Engineer represents and warrants that it shall prepare all documents and things required by this Task Release in such a manner that all such documents and things shall be complete, accurate, coordinated and adequate for purposes intended, and shall be in conformity and comply with all applicable law, codes and regulations. The Engineer represents and warrants that, in performing the Work under this Task Release, it shall comply with all terms and conditions of the Master Agreement.

**4. Contract Time:**

- 4.1 Upon execution of this Contract and commitment by Owner of funds to complete the Project, Engineer will commence performance of its services hereunder, and will complete same within a time period mutually established between Owner and Engineer to meet Project schedules.
