**Subject:** Quote for Downtown Section of Park

This email contains a quote for the security cameras at the downtown portion of the newly renovated park. I have included the item and the price of each. Also wanted to let you know that I went ahead and priced an eight channel recorder because we can add an extra four cameras at any point in time if needed.

4- 6.0 Megapixel Cameras- \$3,108.36

4- Wiring Cables- \$77.92

1- Extra Storage- \$382.20

1- 8 Channel NVR Recorder- \$338.10

Dealer Discount- negative \$380

Grand Total: \$3,526.58

Hourly Work Rate: \$50 Hourly including my employee.

Please let me know when you can get me a check. As soon as I receive it I will order the equipment. This is quite expensive but it is necessary to cover what is needed. They also offer lifetime technical support.

Thanks,

--
