Accident Review: Dustin Carder Accident 05/08/2018 GSP Accident # C000331424-1

Accident Review Board Findings: Not Liable (No Fault)

Accident Review Board Recommendation: No Action

Accident Review Board Comments: The Board finds no violation of Fannin County Sheriff's Office Policy after review of evidence presented regarding this accident and recommends no action be taken.

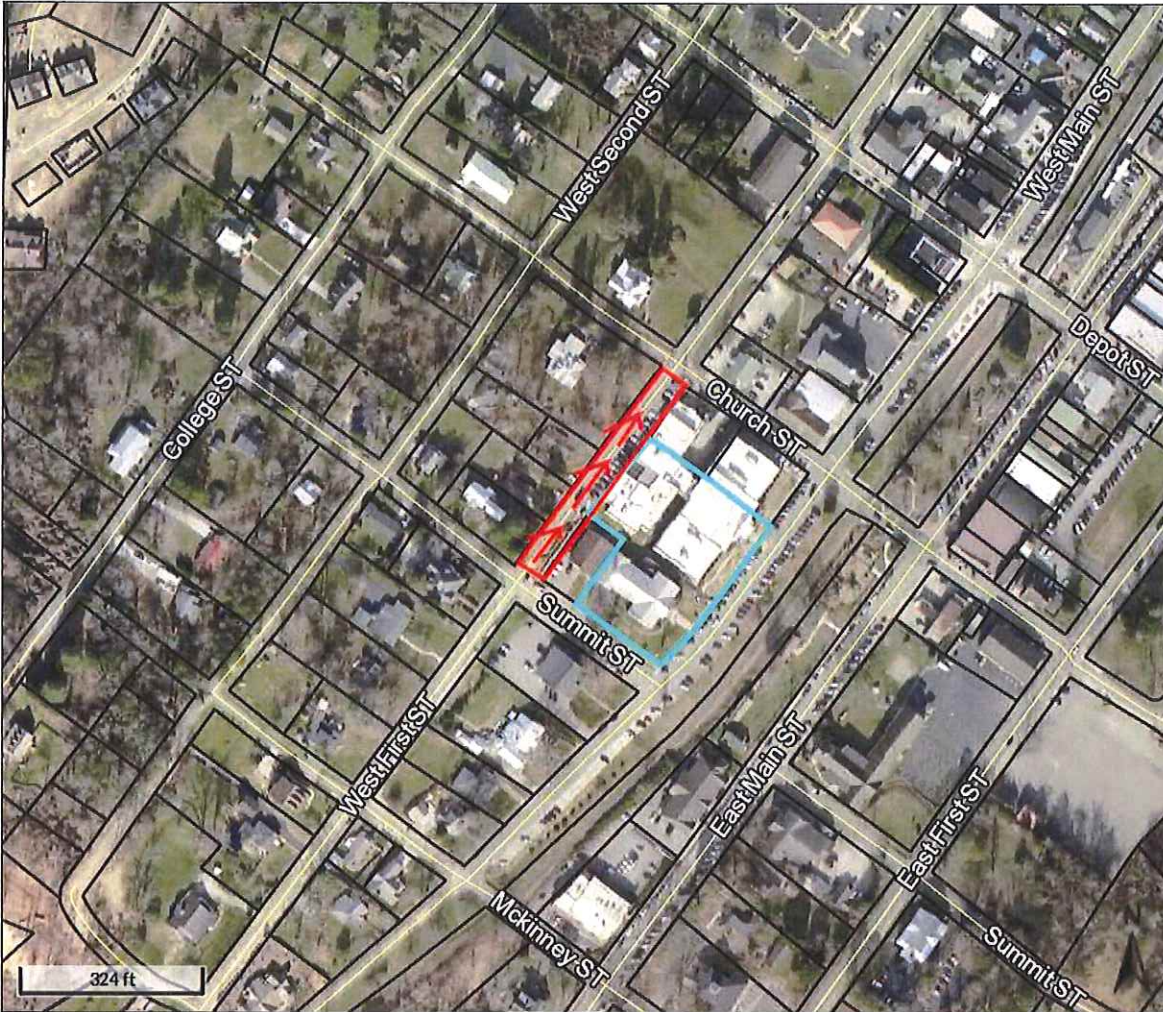

The board does however recommend the Fannin County Sheriff's Office petition the City of Blue Ridge to change that section of West First Street between Church Street and Summit Street to allow only one-way traffic in a Northbound direction. The board also recommends the speed limit in said section of West First Street be reduced to 15 MPH due to hazardous conditions created by vehicle congestion in front of the Fannin County Sheriff's Office.
