The Mayor discussed the emergency issues. There was a water main break at 515 and Mountain Tops Road

A power pole is barely standing and Tri-State EMC is working on that issue while crews are waiting to begin water repairs.

There are a lot of residents without water currently. Water crews are going to try to get a temporary water line until a new line can be constructed.

Council member Rhonda Haight made a motion to approve the Emergency Declaration and Ordinance.

Council member Mike Panter seconded the motion.
